Summary

Issue: Dialogue Density

Convert expository conversations into physical behaviors or visual hints. Show, don't tell.

Issue: Act 2 Pacing

Incorporate a high-stakes ticking clock or an active ticking obstacle to elevate urgency in the second act.

Issue: Antagonist Motif

Dedicate a quiet scene to illustrating the

Overall, your script demonstrates a strong grasp of Crime Thriller tropes with a compelling Three-Act Classical narrative structure. The predicted quality score of 85.8% puts this in the top 15% of scripts analyzed this month.

Pacing	Good
Character Arcs	Strong
Dialogue Naturalism	Medium

antagonist's motivation or ethical grey-zones.
